Welcome to Northern Kentucky University! We are excited that you will be joining the NKU campus this fall. At NKU we care about the well-being of all students and are committed to providing a safe learning environment. We know that you will face many opportunities and challenges as you settle into campus life. To help with this transition, NKU offers a variety of prevention initiatives, including Haven. Haven is a web-based violence prevention program that is required of all incoming first-year and transfer students. We believe this program will provide useful information to students and help NKU maintain a safe campus community.

As part of our comprehensive prevention program for new students, all incoming first-year and transfer students are required to complete Haven. This online course will empower you to make well-informed decisions about issues that affect your college years and beyond.

Below, you will find the instructions for logging on and completing Haven. You will need to complete Part 1 of the course first, which takes approximately 40 minutes to finish. This process may be broken down into multiple sessions but must be completed by September 9, 2016. On or after September 9th, 2016, you will receive an automated e-mail asking you to complete Part 2, which will take about 10 minutes. You have not met the university requirement until both Parts 1 and 2 have been submitted.

To take the course, you will need access to a computer with internet connection and audio capabilities. If you do not have access to a computer, you may use any available computer on campus or any computer with internet access such as those at your public library.

To Log In:
1. Always sign in at: https://haven.nku.edu
2. To access the course, use your NKU username and password to log in to the course. Once you log in, you will see instructions on how to complete it. The course is interactive as well as informative and has been designed specifically for NKU students.

Login problems? Contact the Northern Kentucky University IT helpdesk at http://oit.nku.edu/students.html or at 859-572-6911.

Passing score not required

Please note that the course includes surveys to help personalize your experience and measure your attitudes and behaviors. All survey responses are confidential; NKU will only receive information about the student body as a whole and will never see any individual student answers.

Thank you for your time and commitment to making NKU a safe and welcoming campus.

If you have questions or concerns about Haven, please contact the Office of Student Conduct, Rights and Advocacy at 859-572-5147.
